

LEATHER SINCE 1933

Acadia

Designed in Italy on European raw material, Acadia is a supple, semi-aniline leather with a protective finish that exudes a more natural aesthetic. Available in a rich and vibrant color palette, it offers designers more uniform color consistency and scratch resistance in high traffic areas. An additional stain treatment enhances this leather's durability and performance, making it an ideal option for modern day applications.

FEATURES

- Semi-aniline with natural aesthetic
- Rich, vibrant color palette
- Uniform color consistency
- Resistance to scratching
- Stain treatment added for top performance
