

LEATHER SINCE 1933

Diablo

A natural, full aniline leather from Italy on English hides averaging more than 50 square feet. Diablo has a soft, clear waxy top that is complimented by a beautiful, polished surface. Rich transparencies throughout the hide mimic the look and feel of true calfskin. The calfskin-like grain is achieved through a vacuuming process that shrinks the leather and imparts it with a smooth, tight grain surface.

FEATURES

- Natural aniline leather mimics the look of calfskin
- Soft, wax top coat provides polished appearance
- Classic color palette
- Natural characteristics will be visible

AVG. HIDE SIZE

50 sq ft
