

LEATHER SINCE 1933

# Mojave Scallop

Add an exotic touch to any decor with the luxury of real fur and genuine leather. The leather is supple and soft, and the short, silky hair has warmth that begs to be touched. Bold stenciled patterns and natural markings will compliment a range of decorating styles, from the modern elegance of a city loft to the worn rusticity of a weekend cabin. Serengeti hides come from Brazil, where many of the world's premium cowhides are produced. Average hide size is 20 sq ft.
